“Brother and Sister A loving Bond... Or is it”

5:00pm

Brother and sister a loving bond.....Or is it? One sunny day Jailah and her little brother Johnny were playing tag outside of their house with their friends Cam, Jake, Gabby, and Kesha. They all lived by each other so they come by often. While they were playing Jailah and Johnny’s mom called them into the house and told them that there dad was calling from Belize.(Their parents were divorced so their dad moved back to belize where he is from) Jailah and Johnny were on the phone for about 30 minutes while their friends were in the livingroom watching “Spongebob Squarepants”. Their dad told them that he had some good news to tell them. Johnny was so excited.

5:45pm

Johnny said, “ What is the good news dad?”

Their dad said, “ I got a raise on my paycheck so now I will be sending Jailah 700 dollars every month and I will send you Johnny 350 dollars every month.”

Jailah said, “ Oh yes! Thank you so much dad, I love you and I will talk to you later I’m gonna go tell my friends.”

5:50pm

Their dad said, “ Aren’t you happy too Johnny?”

Johnny said, “ Yes but no at the same time. It’s just that Jailah always gets mowre of everyting then me. Mowre toys, mowre friends, and mowre money.”

Their dad said, “ Well Jailah is older than you are Johnny.”

Johnny mumbled, “ Ok whatevor. Bye dad love you I will talk to you lator.”

His dad said, “Ok son love you too son.”

6:00pm

After he got off the phone with his dad he went into the living room and noticed that his friends weren’t in there, so he went outside and they were not there either. Johnny was so confused. Johnny asked his mom where they went and she said that they had gone to Jalilah's room. As Johnny was walking up the stairs to go to Jalilah's room his mom said,

“ Johnny I forgot to tell you that the office called me in early so i am leaving right now.”

Johnny said, “ Ok mom.” (he was not really listening but he had heard what she said)

6:15pm

When Johnny got upstairs he heard his friends laughing so loud and said to himself,

“ I wonder what they are laughing about i wanna laugh too.”

Johnny knocked and knocked on the door for about 10 minutes until their friend Cam came out to use the bathroom. Johnny walked inside the room and said,

“ Hey Jailah you didn't hear me knocking on the door.”

Jailah said, “ Apparently I didn't.”

Johnny said, “ Well can i come in?”

Jailah said, “ No. I told you that you can never come in my room. As a matter of fact why are you in here right now? And besides this room is for people 11 years old and up.”

Johnny said, “ I am going to tell mom.”

Jailah said, “ I don't care. Now get out.”

6:30pm

Johnny ran down the stairs as fast as he could and realized that his mom had already gone to work, so he sat in his room on his bed and just thought about all of the mean stuff to him.

He said to himself, “ She is always mean to me. She always excludes me from everything. She always picks on me. And Jailah never, ever, ever, lets me come in her room.”

When Johnny was done talking to himself he decided to pack up all of his precious stuff like his underwear, his teddy bear, and some money from his piggy bank and puts it in a bag. He wrote a note to Jailah and put it on his bed.

7:10pm

Johnny walked by Jailah's room and said that he was leaving and don't look for him at the pizza shop on Main street. Jailah's friend Gabby heard him and said to Jailah,

“ Your brother said he is leaving and not too look for him at the pizza shop on Main street.”

Jailah said, “ Don't worry about him he tripping.”

Gabby said, “ Ok then.”

Johnny walked down the stairs and started to walk to the pizza parlor on Main street. ( He was kind of scared of the darkness).

9:30pm

Around 3 hours later their friends parents called and told them that they needed to come home, so they all left. After they left Jailah went to Johnny's room and knocked on the door and said,

“ Hey Johnny open the door.”

“ Come on dude I am not playing.

“ Open up the door Johnny NOW!”

When he didn't answer Jailah just walked in and noticed he wasn't there.

She said, “ Where could this little boy be?”

Then she saw a weirdly written note on his bed.

The note read, “ Dear Jailah I am running away cause you are always mean to me and I do not like it. You will never see me again. PS I am not at the pizza parlor on Main street, cause im really not there

Jailah said, " Oh my gosh Johnny really."

10:00pm

Jailah put her jacket on and rushed down to the pizza parlor on Main street. On her way there her mom called her and said that she will be back at the house at 11:30pm. When her mom told her that she rushed to the pizza parlor and when she got there she started to look for I am at the pizza parlor and she noticed that he wasn't there. Then she reread the note and notice that it said he was not there and she said to herself,

"He is probably at the one on Hawthorne Street"

10:15

Jailah ran as fast as she could and she made it to 3 blocks before the pizza parlor on Hawthorne until she saw that the streets were blocked off.

Jailah said to the police officer, " What is going on here?"

The police officer said, " We are bringing a shuttle threw and we don't want anyone to get hurt."

Jailah asked, " Is it blocked off all of the way down the street?"

The officer said, " Yes. It should take about 45 to 50 minutes for the shuttle to pass." Jailah sighed, and she waited for about 45 minutes and it finally passed by so the officer let her pass.

11:00pm

Jailah took off running as fast as she could and when she finally made it to the pizza parlor she saw johnny sitting down eating a big slice of pizza.

Jailah said, " Why did you run away Johnny, and how did you get pizza?"

Johnny said, " Because you nevor let me do anyting wif you, and Todd the pizza guy gave me this pizza."

Jailah said, " I'm sorry Johnny. What if I make a deal with you."

Johnny said, " What kind of deal?"

Jailah said, " If I let you hang out with my friends and I for 4 days out of the week will you never run away again?"

Johnny said, " If you promise then Ok."

11:20pm

Jailah said, " BTW we have to be home before 11:30."

Jailah and Johnny ran home as fast as they could. When they got there their mom was pulling up in the driveway so they had to go in thru the backdoor. When they went inside Jailah felt kind of guilty, so when their mom came in Jailah confessed everything.

11:35pm

Their mom was so disappointed in Johnny but more disappointed in Jailah.

Jailah said, " Mom don't ground Johnny ground me."

So that is what happened. After that they all fell asleep in the living room.

10:00am

The next day when Jailah was grounded their mom took Johnny and Jailah somewhere special. Johnny was so happy when he got there. The place was the dog pound. Their mom told Johnny he could pick any dog that he wanted. Johnny chose a cavalier and poodle mix. It was a boy with golden and white fur. When they took the dog home Johnny was thinking of a name.

11:00am

One hour later Johnny came up with the name Sparky. Going along with Jailah and Johnny's deal all of the days that Johnny wasn't in Jailah's room he would be with his dog Sparky. After a while Johnny didn't care about going in Jailah's room. They all lived in harmony after all of that and there was no more running away.
